1. Create a table and provide information for each of the Invested Business Equity regarding securities equivalents related to FIEA Article 2(2)(v) or (vi). Note, however, that you are only required to provide information in the "Names of the Invested Business Equity," "Types of the Invested Business Equity" and "Status of investors" for securities equivalents relating to (v) or (vi) of the same paragraph in which only professional investors invest.

Please indicate securities equivalents relating to (v) or (vi) of the same paragraph that were privately placed in the past and the expirations of whose duration are set in the current term or later, even if there has been no private placement during the current term.

2. This table must be created based on the end of the current term as the basis. If the accounting period of the fund (referring to assets into which investment or contribution has been made by persons who own securities equivalents relating to FIEA Article 2(2)(v) or (vi); the same applies in 6) and the term of the notifier of SPBQII do not match, make entries based on figures at the end of the last accounting period that came before the end of the current term.
3. In the "Details of the Invested Business" row, enter specific details of businesses that will manage the money and other assets being invested or contributed.
4. Select and enter, in the "Types of the Invested Business Equity" column, from "Partnership contract under the Civil Code," "Silent partnership contract," "Investment Limited Partnership contract," "Limited Liability Partnership contract," "Membership rights of an incorporated association," "Rights based on laws and regulations of a foreign state" and "Other rights." foreign state."

 6. In the "Flow of funds" section, indicate the names of business or names and roles of persons responsible for transferring, sending, managing or storing money related to the fund.
 7. In the "Ratio of investment" row under "Amount of investment by QIIs and its ratio" section, indicate the percentage of the invested amount by QIIs out of the total invested amount.
 8. In the "Existence of persons specified under the items of Article 233-3" column: Specify "yes" in the case of private placement of Invested Business Equity with persons specified under the Paragraphs of Article 233-3 as the counterparty, or management of money and other assets invested or contributed by persons other than QIIs; otherwise enter "none."
 9. Indicate whether the external audits are statutory or voluntary and describe specifically and succinctly the details of the audit results in the "Details of audits."
 10. If there are circumstances that need reporting but do not fit anywhere in this table, you can indicate this using similar forms within such a scope that they do not cause misunderstanding.
2. Status of accounts

Notifier is required to create balance sheets and profit and loss statements.

If the notifier is a corporation other than large companies prescribed under Article 2(vi) of the Companies Act (Act No. 88 of 2005), it is not required to submit profit and loss statements, but it is required to include net profit/loss in the balance sheets.

If the notifier has made its notification as a member of a partnership, etc., that does not have judicial personality, it is required to prepare balance sheets and profit and loss statements of the partnership, etc. However, partnerships, etc., other than those that have booked 500 million yen or more in investment money, etc. or those that have booked a total 20 billion yen or more in the liabilities section in the balance sheet for the last fiscal year do not need to prepare a profit and loss statement but are required to include net profit/loss in the balance sheets.
